**CENTRAL SECURITIES CORPORATION
630 FIFTH AVENUE
NEW YORK, NEW YORK 10111
(Tel. No. 212-698-2020)**

This Proxy Statement and the enclosed proxy card are first being mailed to stockholders on or about February 7, 2018 in connection with the solicitation of proxies by the Board of Directors of Central Securities Corporation (the “Corporation”) for use at the Annual Meeting of Stockholders of the Corporation to be held on March 21, 2018, or any adjournment thereof (the “Meeting”). Properly executed proxies received by the Corporation prior to the Meeting will be voted in accordance with the specific voting instructions indicated on the proxy. If no instructions are specified, the shares will be voted **FOR** the nominees for director, and **FOR** Proposal 2. Any proxy may be revoked at any time before it is exercised at the Meeting by the delivery of written notice to the Secretary of the Corporation, by executing and delivering a later-dated proxy or by appearing and voting in person by ballot at the Meeting.

The record date for stockholders entitled to vote at the Meeting is the close of business on January 26, 2018. On that date, the Corporation had outstanding 25,143,616 shares of common stock, par value \$1.00 (“Common Stock”).

The holders of the Corporation’s Common Stock shall be entitled to one vote per share. The presence, in person or by proxy, of a majority of the issued and outstanding stock of the Corporation shall constitute a quorum for the transaction of business at the Meeting.

VOTING PROCEDURES

The election of directors (Proposal 1) requires the affirmative vote of a plurality of the shares of Common Stock present in person or represented by proxy at the Meeting and entitled to so vote. Shares of Common Stock represented by proxies which are marked “withhold authority” with respect to the election of any one or more nominees for election as director will not be voted with respect to the nominee or nominees so indicated. The ratification of the selection of the independent registered public accounting firm of the Corporation (Proposal 2) requires the affirmative vote of a majority of the shares of Common Stock present in person or represented by proxy at the Meeting and entitled to so vote. Shares of Common Stock represented by proxies which are marked “abstain” with respect to Proposal 2 will be counted for the purpose of determining the number of shares present and entitled to vote, and shall therefore have the same

effect as if the shares represented thereby were voted against such matter. Broker non-votes (where a nominee holding shares for a beneficial owner has not received voting instructions from the beneficial owner and such nominee does not possess or choose to exercise discretionary authority with respect thereto) will be treated as present for purposes of determining a quorum but not entitled to vote at the Meeting for the purpose of determining the number of votes needed with respect to each item to be voted upon, and shall therefore have no effect on Proposal 1 or Proposal 2.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934, as amended, requires the Corporation's executive officers, directors and persons who own more than ten percent of a registered class of the Corporation's equity securities to file with the Securities and Exchange Commission (the "SEC") initial reports of ownership and reports of changes in ownership of Common Stock of the Corporation. Officers, directors and greater than ten percent beneficial owners are required by SEC regulation to furnish the Corporation with copies of all Section 16(a) forms they file.

To the Corporation's knowledge, based solely on review of copies of such reports furnished to the Corporation and written representations from reporting persons that no other such reports were required, all Section 16(a) filing requirements applicable to its executive officers, directors and greater than ten percent beneficial owners were complied with in 2017.

PROPOSAL 1. ELECTION OF DIRECTORS

The Board of Directors nominates, based on the recommendation of the Corporation's Compensation and Nominating Committee, seven directors to hold office until the next Annual Meeting of Stockholders and until their successors are elected and qualified. The Board of Directors seeks as directors individuals who have high integrity, business acumen, maintain an owner-oriented attitude and possess a genuine interest in the Corporation. Mr. C. Carter Walker, Jr., a Director of the Corporation since 1974, has decided not to stand for reelection to the Board. The Board of Directors intends to reduce the size of the Board and amend the By-laws of the Corporation at a regular meeting of the Board to be held on March 21, 2018 to reduce the number of directors constituting the full Board to seven. The Board of Directors therefore recommends the election of the seven directors listed below to hold office until the next Annual Meeting of

Stockholders and until their successors are elected and qualified. Accordingly, proxies may not be voted for more than seven directors. The Board of Directors has nominated and recommends for election Mr. L. Price Blackford, Mr. Simms C. Browning, Mr. Donald G. Calder, Mr. David C. Colander, Mr. Jay R. Inglis, Mr. Wilmot H. Kidd and Mr. Wilmot H. Kidd IV. All of the nominees have consented to become directors and all except Mr. Kidd IV were elected at the last Annual Meeting of Stockholders. Mr. Kidd IV was elected to the board during 2017.

Duly authorized proxies will be voted for the above-listed nominees. If any nominee for director is unable or declines to serve, for any reason not now foreseen, the discretionary authority provided in the proxy will be exercised to vote for a substitute. Information about the nominees, including positions with the Corporation and directorships of public corporations during the past five years, is set forth below. This information includes the experience, qualifications and skills that each individual brings to the Board.

Independent Directors:

L. Price Blackford, age 66, has been a director of the Corporation since 2012. He currently serves as the Corporation's Lead Independent Director. He has been a Managing Director with Scott-Macon, Ltd, an investment bank, since 2013. He was a Senior Advisor with Sagent Advisors LLC, an investment bank, from 2010 to 2013 and was a Managing Director with Sagent Advisors prior thereto. He was named a director of Maersk Line, Limited (shipping and transportation) in 2017. Mr. Blackford brings to the Board experience in mergers and acquisitions, recapitalizations, financing and general corporate finance advisory activities.

Simms C. Browning, age 77, has been a director of the Corporation since 2005. Mr. Browning retired in 2003 following a 33-year career with Neuberger Berman, LLC, an asset manager, where he served as a Vice President in research, sales and asset management capacities. He is a certified financial analyst. Mr. Browning brings to the Board extensive experience in research and investing.

Donald G. Calder, age 80, has been a director of the Corporation since 1982. Mr. Calder has been the Chairman of Clear Harbor Asset Management, LLC since 2010 after a 45-year affiliation with G.L. Ohrstrom & Co., a private investment firm, where he served as President. Mr. Calder served as a director of Brown-Forman Corporation until 2010, Carlisle Companies, Inc. until 2009 and Roper Technologies, Inc. until 2008. Mr. Calder brings to the Board knowledge of private equity investing. In addition, Mr. Calder's prior service on other public company boards provides him with valuable experience.

David C. Colander, age 70, has been a director of the Corporation since 2009. Mr. Colander has been a Professor of Economics at Middlebury College since 1982. He has authored or co-authored numerous economics textbooks and articles. Mr. Colander brings to the Board insight with respect to general economic conditions.

Jay R. Inglis, age 83, has been a director of the Corporation since 1973. He has been retired since 2014 after a long career as an attorney in the insurance industry. From 2006 to 2014, he was Vice President and General Counsel for International Claims Management, Inc., an insurance management company. Prior thereto, he was Executive Vice President of National Marine Underwriters, an insurance management company. Mr. Inglis has a broad perspective based on his tenure on the Corporation's Board as well as his experience as a lawyer, investment banker and insurance executive.

The Board believes that each director's experience, qualifications, attributes and skills should be evaluated on an individual basis and in consideration of the perspective such director brings to the entire Board, with no single director, or particular factor, being indicative of Board effectiveness.

Interested Directors:

Wilmot H. Kidd, age 76, has been a director of the Corporation since 1972. He has served as its President since 1973 and in addition to his duties as President, became Chairman of the Board of Directors in 2010. Mr. Kidd is primarily responsible for the Corporation's investments and research. Mr. Kidd has provided guidance to the Corporation and brings to the Board an understanding of the Corporation and its strategy acquired through more than forty years of involvement with the Corporation. Mr. Kidd has also been a director of Silvercrest Asset Management Group Inc. since 2011.

Wilmot H. Kidd IV, age 38, was elected to the Board of Directors in 2017. He has been an independent photographer, cinematographer and film producer since 2005. Certain of his works elaborate on the architectural documentary photography tradition and have been influenced by his experience with cinema and literature. He brings to the board a deep knowledge of the history of the Corporation. He is the son of the Corporation's Chairman and President, Wilmot H. Kidd.

Board Composition and Leadership Structure

Currently, all of the directors are independent except Mr. Kidd and Mr. Kidd IV, each of whom is an "interested person" as defined under the Investment Company Act of 1940, as amended (the "Act"). Mr. Kidd is the Chairman of the Board of Directors in addition to his position as President of the Corporation. The Board has also designated a Lead Independent Director who presides over executive sessions of the directors and serves between meetings as a liaison between the directors and management on various matters, including determining agenda items for Board meetings. Currently, Mr. Blackford serves as the Lead Independent Director; however, the individual designated as Lead Independent Director may rotate from time to time. The Board holds executive sessions, without interested directors or members of management, at least quarterly.

The Board has determined that its current leadership structure is appropriate because it enables the Board to exercise informed and independent judgment through a leader who is directly accountable to the Board. Mr. Kidd's extensive knowledge of the Corporation together with his strategic abilities provides the Board with strong leadership and helps improve the efficiency of decision making by the Board. The Board believes that this leadership structure is in the best interest of the Corporation and its stockholders at this time in light of Mr. Kidd's unique qualifications, and that the appropriate leadership structure is a matter that should be discussed and determined by the Board from time to time based on all of the then-existing facts and circumstances.

Board Committees and Meetings

The Board of Directors held eight regular meetings in 2017. All directors attended at least 75 percent of the meetings of the Board of Directors and meetings of the committees on which they served during the period they served as directors except Mr. Walker. The Board of Directors maintains an Audit Committee

and a Compensation and Nominating Committee. Both the Audit Committee and the Compensation and Nominating Committee consist of Messrs. Blackford, Browning, Calder, Colander, Inglis and Walker, each of whom are independent as defined in Section 803(A) of the NYSE American exchange's listing standards and none of whom are "interested persons" as defined under the Act.

The Audit Committee assists the Board of Directors by overseeing the accounting and financial reporting process of the Corporation and the audits of its financial statements. It operates subject to a charter which has been reviewed by the Audit Committee and approved and adopted by the Board of Directors. The Audit Committee charter may be viewed on the Corporation's website at www.centrasecurities.com. The Audit Committee met twice during 2017.

The Compensation and Nominating Committee is responsible for the review and recommendation of candidates for the Board of Directors. In addition to these responsibilities, the Compensation and Nominating Committee administers the Corporation's 2012 Incentive Compensation Plan and reviews and approves the compensation of the officers of the Corporation. The Compensation and Nominating Committee operates pursuant to the terms of a charter which may be viewed on the Corporation's website at www.centrasecurities.com. The Compensation and Nominating Committee met twice during 2017.

The Compensation and Nominating Committee considers director nominee recommendations by stockholders provided that the names of such nominees, accompanied by relevant biographical information, are submitted in writing to the Secretary of the Corporation. Any such recommendation must be accompanied by a written statement from the individual indicating his or her consent to be named as a candidate, and, if nominated and elected, willingness to serve as director.

The process that the Compensation and Nominating Committee uses in reviewing and recommending candidates includes identifying, through soliciting, recruiting and interviewing, candidates who meet the current needs of the Board. The Compensation and Nominating Committee does not have any specific minimum qualifications that must be met by a nominee. The Compensation and Nominating Committee considers, among other things, an individual's judgment, background and experience. Each director should have very high integrity, the ability to work constructively with others, business acumen, an owner-oriented attitude and a genuine interest in the Corporation. With respect to nomination of continuing directors, the individual's past service to the Board is also considered. Each director should have sufficient time available to devote to the affairs of the Corporation and should be free of any conflict which would interfere with the proper performance of the responsibilities of a director. The independence requirements of NYSE American LLC and whether the individual is an "interested person" under the Act are also considered. The Compensation and Nominating Committee does not have a formal policy regarding the consideration of diversity of Board candidates. There are no differences in the manner in which the Compensation and Nominating Committee evaluates stockholder-recommended director nominees.

Oversight Responsibilities

The Corporation's operations entail a variety of risks including investment, administration, valuation and compliance matters. Although management of the Corporation is responsible for managing these risks on a day-to-day basis, the Board also addresses these risks as part of its regular meetings. In particular, as part of its general oversight, the Board reviews with management the risks being undertaken by the

Corporation. The Audit Committee discusses the Corporation's financial reporting and internal controls with management and the independent registered public accounting firm engaged by the Corporation. The Board reviews valuation policies and procedures and considers the valuation of illiquid securities. The Board's oversight function is facilitated by management reporting processes that are designed to provide visibility to the Board about the identification, assessment and management of critical risks and the controls, policies and procedures to mitigate those risks. The Corporation believes that its leadership structure enhances risk oversight.

Stockholder Communications

Stockholders may send written communications to any member of the Board of Directors c/o Corporate Secretary, Central Securities Corporation, 630 Fifth Avenue, New York, New York, 10111. All communications will be compiled by the Corporate Secretary and submitted to the applicable director.

Each of the Corporation's directors is encouraged to attend the annual meeting of stockholders in person. Three of the Corporation's directors attended the Corporation's 2017 Annual Meeting. Other directors were unable to attend the meeting due to travel problems caused by inclement weather.

The Board of Directors recommends a vote FOR the election of each of the seven nominees for director.

Description of the 2012 Incentive Compensation Plan

In 2012, the Board of Directors adopted an incentive compensation plan for the Corporation, titled the 2012 Incentive Compensation Plan (the “Plan”). The Plan was originally approved by stockholders at the 2012 Annual Meeting and reapproved by stockholders at the 2017 Annual Meeting. The Plan is summarized below.

Administration

The Plan is administered by the Compensation and Nominating Committee (the “Committee”). The Committee has general responsibility to ensure that the Plan is operated in a manner that serves in the best interests of the Corporation’s stockholders. Prior to making any grants of awards, but at least annually, the Committee reviews the potential impact that the grant, exercise or vesting of awards could have on the Corporation’s earnings and net asset value per share. The Committee also maintains adequate procedures and records relating to that review.

Eligible Participants

The Committee approves and recommends to the Board, and the Board has full and final authority to ratify, the Corporation’s officers and employees selected to receive awards under the Plan. The individuals who receive grants under the Plan are referred to as a “Participant” individually and collectively as “Participants.” All of the Corporation’s full-time employees are eligible to participate in the Plan. In addition, all non-employee directors of the Corporation are eligible to participate in the Plan and will receive awards as described below under “Non-Employee Director Awards.”

Available Shares

The Corporation has reserved and has made available for use 1,000,000 shares of the Corporation’s Common Stock, which was approximately four percent of the Corporation’s Common Stock outstanding on March 21, 2012, the effective date of the Plan. During the year ended December 31, 2017, 13,672 shares of Common Stock were awarded under the Plan and 10,057 shares were issued after giving effect to shares withheld for income taxes. As of January 26, 2018, 944,156 shares were available for future grants under the Plan.

No single Participant may be granted awards relating to more than 35 percent of the shares of the Corporation’s Common Stock reserved for issuance under the Plan. In addition, the Plan limits the total number of shares that may be awarded to any single Participant in any 36-month period in connection with all types of awards to 250,000 shares of Common Stock.

Awards

The Plan permits the Committee to grant the following types of awards:

- Bonus stock;
- Restricted stock;
- Restricted stock units; and
- Cash awards.

In addition, the Plan permits dividend equivalents to be awarded in connection with any award under the Plan while the awards are outstanding or otherwise subject to a restriction period. The Plan permits the Committee to prescribe in an award agreement any other terms and conditions of that award. As described below, the Committee may designate any award under the Plan as a performance award subject to performance conditions. The exemption from Internal Revenue Code Section 162(m)'s \$1 million deduction limit for "performance-based compensation" was repealed in December 2017, such that compensation paid in excess of \$1 million to our principal executive officer, principal financial officer, each other employee for the Corporation who is among the three most highly compensated officers during the taxable year, and any other employee who was a covered employee of the Corporation for any preceding taxable year beginning after December 31, 2016 will not be deductible unless it qualifies for transition relief.

The types of awards are described more fully below. Grants to non-employee directors are limited to those described below. See "Non-Employee Director Awards."

Bonus Stock. The Plan permits the Committee to make grants of bonus stock. Except as otherwise determined by the Committee, bonus stock will vest immediately and shall not be subject to any restrictions.

Restricted Stock. The Plan permits the Committee to make grants of shares of the Corporation's Common Stock as restricted stock. Restricted stock is stock that is subject to restrictions on transferability, risk of forfeiture and/or other restrictions. A Participant who receives restricted stock will have all the rights of a stockholder, including the right to vote the restricted stock and the right to receive dividends, unless the Participant is limited by the terms of the Plan or any award agreement relating to the restricted stock. Except as otherwise determined by the Committee, during the period of restriction, the Participant may not sell, transfer, pledge, hypothecate, margin or otherwise encumber the restricted stock.

Restricted Stock Units. The Plan permits the Committee to make grants of restricted stock units to Participants. Restricted stock units represent rights to receive stock and are subject to certain restrictions and a risk of forfeiture.

Cash Awards. The Plan permits the Committee to make grants of awards paid in cash. The Committee may substitute shares of Common Stock for all or a portion of the cash payment otherwise required to be made pursuant to a cash award. Cash awards to any one Participant may not exceed \$3,000,000 with respect to any fiscal year.

Performance Awards. The Plan permits the Committee to make any award under the Plan subject to performance conditions. The Corporation may pay performance awards in cash or shares of the

Corporation's Common Stock. The grant, exercise and/or settlement of performance awards will be contingent upon achievement of pre-established performance goals.

Forfeiture of Awards. Shares of Common Stock subject to an award under the Plan that are cancelled, expired, forfeited, settled in cash or otherwise terminated without delivery of shares to the Participant, plus the number of shares withheld or surrendered in payment of any taxes relating to any award will again be available for awards under the Plan, except if such shares could not again be available to a particular Participant under any applicable law or regulation, such shares shall be available exclusively for awards to Participants who are not subject to such limitation.

Non-Employee Director Awards

Immediately following each annual meeting of stockholders, each non-employee director who is elected a director at, or who was previously elected and continues as a director after, that annual meeting shall receive an award of 500 shares of vested bonus stock of the Corporation. Operation of the Plan

Under the Plan, the Committee, subject to ratification by the Board, may grant awards (except for non-employee director awards) either alone or in addition to, or in substitution or exchange for any other award or any award granted under another plan of the Corporation or any subsidiary of the Corporation.

401(k) Profit Sharing Plan

The Corporation maintains a 401(k) Profit Sharing Plan (the "Profit Sharing Plan"). Generally, all salaried employees of the Corporation are eligible to participate in the Profit Sharing Plan. Employees are able to make pre-tax or after-tax contributions from their compensation to the Profit Sharing Plan, subject to Internal Revenue Code limitations. In addition, the Profit Sharing Plan allows contributions by the Corporation from its profits of up to 25 percent of an employee's compensation. The Corporation has agreed to contribute at least three percent of each participant's qualifying compensation to the Profit Sharing Plan, which is immediately vested. For the year ended December 31, 2017, the Corporation contributed 15 percent of employee compensation to the Profit Sharing Plan, subject to Internal Revenue Code limitations. Each participant's contributions received from the Corporation in excess of three percent vest after three years of employment. Under the Profit Sharing Plan, each employee is permitted to invest the assets in his account in the capital stock of one or more investment companies from a selection provided by the Plan Administrator.

REPORT OF THE AUDIT COMMITTEE

The Audit Committee has reviewed the audited financial statements of the Corporation for the year ended December 31, 2017, and has met with management and KPMG LLP, the Corporation's independent registered public accounting firm, to discuss the audited financial statements.

The Audit Committee received from KPMG LLP written disclosures regarding its independence and the letter required by the applicable requirements of the Public Company Accounting Oversight Board (United States) ("PCAOB"), and has discussed with KPMG LLP its independence. In connection with its review, the Audit Committee has also discussed with KPMG LLP the matters required to be discussed by the applicable requirements of the PCAOB.

Members of the Audit Committee necessarily rely on the information provided to them by management and the independent auditors. Accordingly, the Audit Committee's considerations and discussions referred to above do not assure that the audit of the Corporation's financial statements has been carried out in accordance with generally accepted auditing standards, that the financial statements are presented in accordance with generally accepted accounting principles or that the Corporation's auditors are "independent."

Based on its review and discussions with management and KPMG LLP, the Audit Committee recommended to the Board of Directors that the audited financial statements be included in the Corporation's Annual Report to Stockholders for the year ended December 31, 2017.

Members of the Audit Committee are:

L. Price Blackford
Simms C. Browning
Donald G. Calder
David C. Colander
Jay R. Inglis
C. Carter Walker, Jr.

PROPOSAL 2. RATIFICATION OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

Pursuant to its charter, the Audit Committee is responsible for recommending the selection, approving the compensation and overseeing the independence, qualifications and performance of the independent accountants. The Audit Committee’s policy is to pre-approve all audit and permissible non-audit services provided by the independent accountants. In assessing requests for services by the independent accountants, the Audit Committee considers whether such services are consistent with the auditor’s independence; whether the independent accountants are likely to provide the most effective and efficient service based upon their familiarity with the Corporation; and whether the service could enhance the Corporation’s ability to manage or control risk or improve audit quality. The Audit Committee may delegate pre-approval authority to one or more of its members. Any pre-approvals by a member under this delegation are to be reported to the Audit Committee at its next scheduled meeting.

Audit Fees and Services

During the last two fiscal years, the Corporation engaged KPMG LLP for its services as follows:

	2017	2016
Audit fees.....	\$ 94,000(1)	\$ 89,000(1)
Audit-related fees	—	—
Tax fees	22,000(2)	21,000(2)
All other fees	—	—
Total	\$116,000	\$110,000

- (1) Includes fees for review of the Corporation’s semi-annual financial statements and audit of the annual financial statements included in reports to stockholders.
- (2) Includes fees for services performed with respect to tax compliance and tax planning.

All of the services provided by KPMG LLP for fiscal years 2017 and 2016 (described in the footnotes to the table above) and related fees were approved in advance by the Audit Committee.

At a meeting held January 31, 2018, a majority of the directors who were not “interested persons” (as defined under the Act) selected KPMG LLP to act as independent registered public accountants for the Corporation during 2018. A representative of KPMG LLP is not expected to be present at the Meeting.

Stockholders are invited to ratify the selection of KPMG LLP as the independent registered public accounting firm of the Corporation for the year 2018. KPMG LLP has no direct or material indirect financial interest in the Corporation other than its employment in such capacity.

The Board of Directors recommends a vote FOR this proposal.
